AT GOOD HOPE SCHOOL, WE LOOK TO THE FUTURE. WHO DO YOU WANT YOUR DAUGHTER TO BE IN 6 YEARS?

How can children grow to be responsible members of society and good citizens, if they are not given responsibilities and opportunities to grow in their own schools and classrooms?

EMPOWERMENT IS KEY – WE MUST TRUST OUR STUDENTS WITH RESPONSIBILITY AND NURTURE THEM AS FUTURE LEADERS

Feedback from our NSE Focus Inspection Report (2025)

"The school has created an inspiring campus environment by showcasing student artwork that is rich of Chinese culture elements."

"The school ensures that NE is integrated into different domains of the school work through careful composition of the NSE team including the vice-principals in charge of school admin, academic affairs and student development. These VPs are able to lead their panel and committee members in carrying out the related strategies."

"Both teachers and students maintain a respectful and solemn attitude during the (flag raising) ceremony, reflecting a shared understanding of the occasion's importance."

Feedback from our most recent External School Review (ESR, May 2021)

'Ample opportunities are created for students to put into practice positive values and attitudes on campus and in the community. With the efforts and dedication of both teachers and students, ***a strong sense of community*** among Good Hopers and a ***caring culture of the school*** have been built.'

"***Holistic learning experiences are provided to students*** through integrating the elements of cognition, affection and action for the promotion of values education within and beyond the classroom."

'***Students are well-mannered, self-disciplined and willing to serve***. Their ***academic and non-academic achievements are equally outstanding***.'
